CAPITAL CIRCLE SOUTHEAST CONSTRUCTION ACTIVITY UPDATE

June 8 – June 15, 2007

Tallahassee – The construction activity along Capital Circle Southeast for the next week includes:

Tram Road to Barcelona Lane:

- Landscaping, slow moving water trucks and tractors are being utilized for irrigation in this time of drought.

Merchants Row Boulevard to Blair Stone Road:

- Reworking base, placement of structural asphalt and sidewalk construction on the west side of the roadway.

Merchants Row Boulevard to Barcelona Lane:

- Sewer and water utility relocations on the west side of the roadway.

Blair Stone Road to Orange Avenue:

- Erecting Mast Arm traffic signals at the Blair Stone intersection and the New Orange Avenue intersection.

Barcelona Lane to Hill Lane:

- Placing sod on the east side of the roadway.

Hill Lane to Connie Drive:

- Grading, placing embankment and subgrade on the west side of the roadway.

No changes to the traffic patterns are anticipated. However, as always, use caution. Situations may occur where workers might have to utilize the travel lanes. Pay attention to the warning devices, signs and flagmen. **Drive Safely!!**

Construction of the \$36 million project began in May 2005 and is scheduled to finish in early 2008. For details on this and other Blueprint 2000 projects, log onto at www.blueprint2000.org.
