Lane closure required at the intersection of Capital Circle Southeast and Woodville Highway

Tallahassee – Blueprint 2000 announces a lane closure on Capital Circle Southeast on Wednesday, September 9th, 2009, weather permitting. The dedicated right turn lane from eastbound Capital Circle heading southbound on Woodville Highway will be closed. The outside eastbound through lane of Capital Circle will serve as both a through lane and a right turn lane onto Woodville Highway. The new traffic pattern will be in effect approximately three (3) weeks. A variable message board will be activated approximately one week prior to construction to notify the motoring public of the change.

Motorists are urged to use extra caution when traveling through the work zone. Motorists are reminded that the posted speed limit is 45 mph.

If you have questions, please contact Blueprint 2000 at 850-701-2740. For details on this and other Blueprint 2000 projects, log on to www.blueprint2000.org.
