**CAPITAL CIRCLE SOUTHWEST
CONCEPTS CHARRETTE MAY 10TH AND 12TH**

Tallahassee – Blueprint 2000 will hold an exciting two-day **Concepts Charrette** event where members of the community, will be given an opportunity to work together with the project team to draw alignment concepts for further study. Both days of the Concepts Charrette will take place at **Tallahassee Community College** in the **Student Union Ballroom**.

Session 1 will be **Thursday, May 10 from 6:00 p.m. to 8:00 p.m.** At this first session, members of the community will develop corridor pathways for Capital Circle Southwest within the entire study area from Crawfordville Road to Blountstown Highway.

Session 2 will be on **Saturday, May 12 from 9:30 a.m. to 12:30 p.m.** During this session, members of the community will be drawing alignments within the corridors developed at the first session and the existing alignment's corridor.

The Concepts Charrette will end with a sharing of the alignments, including discussions of the reasoning for the alignment's location. This is an opportunity to join the community and work together to provide input into the alignment concepts that will be studied over the next two years by Blueprint 2000 and the Kimley-Horn Consultant team. **Your participation is key to the success of this project, so please plan to attend.**
