2. Tenant

A tenant is defined as a person who has the temporary use and occupancy of real property owned by another. Residential tenants will receive relocation notices and advisory services benefits and may, in addition, qualify for a replacement housing payment and residential moving costs based on a Fixed Residential Moving Schedule. There will be a determination of the need for outside specialists that will be required to assist in planning the move, assistance in the actual move, and in the reinstallation of machinery and/or other personal property. At the conclusion of the interview, the relocation agent will be able to provide an estimate of the time required for the tenant occupied business to vacate the site.
