

Blueprint Planner I

City of Tallahassee, BluePrint Intergovernmental Agency

Salary: \$30,243.20 - \$69,305.60/annually

Hiring Rate will generally not exceed \$56,638.40/annually

This is a professional planner position working in transportation and community planning, research, urban design, implementation activities, and other asks and duties as may be related for the Blueprint Infrastructure Program. Major responsibilities include support for long-range transportation planning, development of project design concepts, communication of project planning and progress through agenda items to the Intergovernmental Agency Board of Directors (combined City and County commissions), community outreach related to Blueprint Infrastructure projects, and coordination with agency partners at the City of Tallahassee, Leon County, Capital Region Transportation Planning Agency, and Florida Department of Transportation. Work is performed under the direction of the Blueprint Planning Manager.

Minimum Training and Experience:

Possession of a bachelor's degree in urban and regional planning, public or business administration, geography, statistics, demography, public affairs or engineering or a related field and one year of professional experience that includes transportation and/or urban planning in the public and/or private sector. A master's degree in planning, statistics, demography, business or public administration may be substituted for the required experience.

Necessary Special Requirement

At the department director's discretion, a valid Class E State driver's license may be required for any of the designated positions allocated to this class.

CLOSING DATE: April 26, 2019

Must submit a City of Tallahassee application by date designated above. Visit <http://www.talgov.com>. Please follow application instructions precisely.

TDD Number: 711.
