

Public Meeting
Debbie Lightsey Nature Park Concept
Tallahassee, Florida

The Blueprint Intergovernmental Agency and the Tallahassee Section of the Florida Chapter of the American Society of Landscape Architects (ASLA) will hold a public meeting concerning the concept design of Debbie Lightsey Nature Park, to be located on the east side of Capital Circle NW/SW, between Jackson Bluff Road and Orange Avenue. The meeting will be held Thursday, May 26, 2016 from 5:30 p.m. to 7:30 p.m. at the Tallahassee Community College Center for Workforce Development, Building 38, Room 123, 444 Appleyard Drive, Tallahassee, Florida. An open house will take place at 5:30 p.m., followed by a formal presentation at 6:00 p.m.

The Tallahassee Section of the Florida Chapter of ASLA and Blueprint have proposed a park concept that will enhance the area's recreational options, as well as connectivity to existing greenways. The park will include nature trails and boardwalks within the wetlands, educational components, and other passive park amenities. Representatives from both Blueprint and the Tallahassee Section of the Florida Chapter of the American Society of Landscape Architects will present the components of the current park concept, answer any questions, and receive/document any comments.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act, or persons who require translation services (free of charge) should contact Susan Emmanuel, Blueprint Public Information Office, at (850) 219-1060 at least seven days prior to the meeting.

Should you have questions regarding the Debbie Lightsey Nature Park concept or public meeting, please contact Autumn Calder at the number above or via e-mail at autumn.calder@blueprint2000.org.
