

Design and Construction Manager

City of Tallahassee, BluePrint Intergovernmental Agency

Salary: \$63,336.00 – 145,433.60/annually

Hiring Rate will generally not exceed \$114,691.20/annually

This is highly responsible managerial, professional, and technical work directing Blueprint's engineering efforts related to Blueprint projects. Duties are performed with considerable independence requiring the exercise of professional judgment and initiative in day-to-day operations. Effective communication is required with the public (neighborhood groups, business groups, and individual citizens), elected officials (City and County), local government staff, state and federal agencies, contractors and consulting engineers. The work is performed under the administrative direction of the Blueprint Intergovernmental Agency-Blueprint Director who reviews the work through conferences, evaluation of completed projects, and analysis of reports..

Minimum Training and Experience:

Minimum Training and Experience

Possession of a bachelor's degree in civil engineering or a related field, and ten years of professional experience that includes project planning, development and design, and construction engineering & inspection/contract administration, or an equivalent combination of training and experience. Three years of the required experience must have been in a supervisory capacity.

Necessary Special Requirement:

Must possess registration as a professional engineer in the State of Florida at time of appointment.
Must possess a valid Class E State driver's license at time of appointment.

CLOSING DATE: February 1, 2019
