**Community Meetings Regarding the Airport Gateway Project Scheduled for  
January 25th and 30th**

***Public Comment Sought on Proposed Modifications***

**Tallahassee** – The Blueprint Intergovernmental Agency invites the public to attend an upcoming Community Meeting to discuss and provide input on proposed changes to the Airport Gateway Project. Utilizing community input collected in previous meetings and other forms of outreach, updates to the proposed changes have been made and will be presented during the meetings. Additionally, input from area residents and the business community will be gathered and included where possible as the proposed changes are refined. Area residents are invited to attend one or both of the meetings listed below:

THURSDAY, JANUARY 25 AT 6:30 p.m., AT THE PROVIDENCE COMMUNITY SERVICE CENTER, 1908 HIGHLAND STREET - focus on the South Lake Bradford Road, Liberty Park and Springhill Road Neighborhoods

TUESDAY, JANUARY 30 AT 6:30 p.m., AT THE PROVIDENCE COMMUNITY SERVICE CENTER, 1908 HIGHLAND STREET - focus on the Providence, Callen, and Elberta Empire Neighborhoods

At both meetings, there will be a brief presentation and a discussion session with the project team where attendees can ask questions and offer suggestions that could be included as the project is further refined.

We want to hear from you so, make plans today to attend one of the community meetings.
